VENETIAN  
ROME

The Roman Drink Table is upholstered in COM, weighed down with powdered marble, and hand painted. This table is inspired by the white marble of Rome and the Venetian Plaster, which we achieved this look by upholstering the base in a greige suede.

NOTE: Glass shape and paint strokes are organic and differ from piece to piece to keep uniqueness in the artists own hand.

At checkout please use the 'Add a Note' option to write in the color choice you would like.
